**Subject:** RE:SAIT CPD SUBSCRIPTION PACKAGE

Dear Maditsi,

The South African Institute of Taxation (SAIT) is proud to launch its **first-ever** annual continuous professional development (CPD) subscription package that is exclusive to Sait members only.

Over the past, your CPD subscription package was provided through a third-party organisation. In the quest of delivering **value for service** and as part of being the largest recognised tax body in the country, we have cut off the middleman for your ease of convenience and compliance.

### It's not just a CPD package, what's in it for you?

Our top specialist offerings feature among the best industry-leading thinkers and innovators in the areas:

- Large Business Compliance
- Small Business Compliance
- Corporate M&A and Shareholder Compensation
- Wealth Tax Succession Planning
- 1<sup>st</sup> Key Judicial Decisions and SARS Interpretations
- Personal Tax Compliance
- Recurring Concerns in Tax Controversy Management
- VAT compliance
- Tax Risk Management Advice for In-House Tax Directors
- 2<sup>nd</sup> Key Judicial Decisions and SARS Interpretations

With an offering of a total of **30 hours of CPD points** in either 1.5 hour or 45-minute “bite-size” sessions, what better value for money you can get.

***NB:** You are still entitled to more than 50 hours of free CPD points covered in your annual membership.*

**Let's get you started**

As 2022 fast approaches, we have the following payment options for you:

- Should your membership be paid in debit order and wish that this package be included therein as one debit order, fill the debit order consent form; or
- Should you wish to have a once-off payment, fill in the once-off payment form
